2022 Maple Leaf Parade Regulations

Failure to comply with all rules and regulations may impact future participation in the Maple Leaf Parade.

1. NO ITEMS may be thrown from parade entries at any point in the parade. All items must be **HANDED** to the audience by persons walking alongside your float. This is a safety issue and will be strictly enforced.
2. Candy and other items may **ONLY** be distributed by entries that have completed and submitted a "Maple Leaf Accident Waiver and Release of Liability Form For Parade Entries Wishing to Distribute Items". **THERE WILL BE NO EXCEPTIONS.**
3. Floats and commercial entries must be an actual decorated float to participate in the parade. A vehicle with the company's name or logo on it is NOT a decorated entry. Easy to use float "kits" can be used for ideas or for your entire entry. Many online sources can be found through a simple Google search, including: **www.victorycorps.com www.shindigz.com www.fbsind.com www.spiritline.com www.stumpsparty.com**
4. Classic/Antique Vehicles must be vintage 1985 or earlier to participate in the parade. These vehicles do not need additional decorations.
5. Entries with children under the age of 18 must also have parents or other adult chaperones walking alongside to supervise. Participants are asked to be aware of the ability and pace of **ALL** persons in their group and to make alternative arrangements for any person slowing the progress of the parade entry.
6. All entries must indicate if they have music or sound amplifying systems and shall maintain a volume that will not interfere with other entries. Each entry is responsible for acquiring all copyright permissions for any music played by their participants. **ALL** school bands should contact Carthage Band Director Jennifer Sager at sagerj@carthagetigers.org.
7. All motorized entries must be properly maintained, have a full tank of gas, good working brakes, and a properly installed air filter and muffler. **NO** excessively loud motorized vehicles or machinery will be allowed. The vehicle must be driven by a licensed driver over 16 years of age and have unobstructed visibility, **NO EXCEPTIONS.**
8. Individuals and organizations participating in the parade are expected to perform courteously, in good taste, and with safety in mind at all times during the assembly, execution and dispersal of the parade. All entries are required to keep moving and not delay the progression of the parade. Entries causing delays or gaps in the progression of the parade may be asked to speed up their pace to remedy the problem, and those causing continued issues may not be permitted to return next year. If you are approached for a media interview or photographs, please step out of the parade flow, allow others to pass you, and catch up to your entry when your interview is finished.
9. There will be **NO** counter marching, maneuvering, or any other action, or inaction, in any form, that will create any gap in the progress of the parade. All maneuvering, choreography, and marching styles must be performed while moving forward. Keep in visual contact with entries in front of and behind you at all times and adjust your speed accordingly. Be prepared to follow **ALL** instructions given by parade officials **before AND during** the parade.
10. Distributing any type of fireworks, including confetti "poppers" and bang snaps/"snappers", to the audience is prohibited, and any entry doing so will be held liable for any damage reportedly caused by those items.
11. Parade entries involving animals of any kind must provide their own immediate clean-up in the line-up area and along the parade route.

The Carthage Chamber of Commerce reserves the right to remove from the parade, AT ANY TIME, any entry/persons not conforming to the rules and regulations, or refusing to follow the instructions of the police or parade officials. The Carthage Chamber of Commerce reserves the right of final decision on entries accepted for the parade.
